

Effective **January 1, 2010**, Human Immunodeficiency Virus (HIV) screening is covered for people with Medicare Advantage who are pregnant and/or at increased risk for the infection, including anyone who asks for the test. Medi-Pak Advantage covers this test one time every 12 months or up to three times during a pregnancy. This lab test is covered at the same member cost-sharing amount as any other covered lab service. Please reference your Summary of Benefits or Evidence of Coverage for more details on lab services cost-sharing.

If you have any questions or need more information, please see the Medicare Web site at **www.CMS.gov** or call **1-877-233-7022 (TTY 1-888-844-5330)**.
